AMENDMENT "L"

Honorable Commissioner for Patents
MS Amendment, PO Box 1450
Alexandria, Virginia 22313-1450

This amendment is responsive to the Office Communication dated January 16, 2007, in which Claims 60, 63-67, 69, 70, 80, 89, 71, 72, 83, 90 are rejected under 35 U.S.C. 112, first paragraph for failing to comply with the written description requirement. The Examiner states that the specification is silent to the enclosure being impenetrable, bottomless and having a clear hallway. Claims 60, 63-67, 69, 70, 80, 89, 71, 72, 83, 90 are rejected under 35 U.S.C. 112, second paragraph as being indefinite for failing to point out and claim the subject matter. The Examiner states that it is not understood how an enclosure having a side opening in Claims 60 and 71 can be impenetrable and bottomless. The Examiner has allowed Claims 84, 85 and 87.

The claims have been amended. The words "a long and clear un-impeded hallway" are deleted. The words "an enclosed passageway with said crawl path", which are used in the allowed Claim 84, have been re-introduced in the amended claims 60 and 71.

The applicant requests an entry and consideration of the amended claims submitted herewith.

Respectfully submitted,

/Kim Kwee Ng/
